The Boleyn Trust

The Boleyn Trust is a charitable voluntary organisation which relies on the valuable input of a considerable number of non-executive volunteers, supported by an experienced team of staff.

Principles

This document sets out the fundamental principles of the organisation and lays down the rules for its governance. The framework consists of the principles set out here, the Trust Articles of Association and the detail set out in the Terms of Reference.

We will continue to develop our governance arrangements to shape and take account of best practice in the sector.

Financial governance must, as a foundation, be compliant with the principles and regulations set out in the Academies Financial Handbook. The Boleyn Trust aims to go beyond this foundation to provide excellence in its governance.

Governance is underpinned by a common understanding about who is responsible for providing valuable input to decision making and who has the decision-making responsibility.

Effective governance in our Trust is supported by the following:

- Trust Members
- Trust Board
- Trust committees
- Local Governing Bodies
- Chief Executive Officer
- The Executive Team

The Trust Board has overall responsibility and ultimate decision-making authority for all the work of the Trust, including the establishment and maintenance of its Schools.

The governance of each School shall be delegated to the relevant Local Governing Body.

Vision and Values

The shared vision and values of the Trust and all the Schools underpins the governance arrangements of the Trust.

The Trust fully supports the independence and distinguishing characteristics of each of the Schools. The Trust seeks to provide a level of autonomy proportionate to the success of the School.

Recognising the value of collaboration and the advantage of a public association, the Trust will provide a voice on national, regional and local issues affecting the Trust and our schools, helping to communicate the Trust's needs and concerns to those responsible for the funding and regulation of publicly funded schools.

The Trust has a commitment to supporting the schools within the Trust family for the benefit of the communities served by the schools. The Trust expects schools to work together in the spirit of solidarity. The relationship between the Trust and Local Governing Bodies is one of partners sharing a common goal, drawing on each other's strengths to overcome any weaknesses and respond robustly to any challenges.

Our Local Governing Bodies are the champions of our values in our Schools.

Accountability for decisions

The Trust Board delegate authority to two key groups to ensure the effective leadership and governance of the Trust. The two key groups are:

- Executive Leadership Team (the Executive Team); and
- Local Governing Bodies.

The relationship between the Trust Board, the Executive Team and the Local Governing Bodies is characterised as a partnership to realise a common vision and a common purpose. In the case of the Local Governing Bodies the relationship between the two tiers of governance is also based on the principles of:

- no duplication of governance; and
- governance should be as close as possible to the point of impact of decision-making.

The Terms of Reference and the Roles and Functions Matrix provides clarity as to who the decision makers are for different levels of decisions. Effectiveness of both management and governance is supported through clarity over who holds the decision-making responsibility and who supports and advises the decision makers.

Intervention

The Trust Board remains ultimately responsible for the Trust and the conduct of the Schools. The operation of the various elements of governance outlined in this document are crucial to the success of the group. However, there will be circumstances (more the exception than the norm) where the Trust Board might need to intervene and, for example, withdraw delegated authority or an element of governance.

In such circumstances, the Trust Board, along with the Executive Team, would work closely with any Schools concerned and those involved in their governance who would be expected to promptly implement any advice or recommendations made by the Trust Board and the Executive Team.

The Trust Board reserves the right to review or remove any power or responsibility which it has delegated in circumstances where serious concerns in the running of a School (or Schools) are identified, including where:

- there are concerns about financial matters;
- insufficient progress is being made against educational targets (including where intervention by the Secretary of State is being considered or carried out);
- there has been a breakdown in the way the School is managed or governed; or
- the safety of pupils or staff is threatened, including a breakdown of discipline.

Overview of key elements of our governance

Members

The Trust has “**Members**” who are best viewed as guardians of the constitution, changing the Articles if necessary and ensuring the charitable object is fulfilled. The Members have overall nominal responsibility for The Academy Trust but they exercise their functions through the trust board. Each Member guarantees to contribute £10 if the Trust were to become insolvent and be wound up- that is the “guarantee” implied by the term “company limited by guarantee”.

The main powers and duties of the Members, as described in the Articles, in broad terms are:

1. To appoint and remove Trustees to ensure that the Trust’s charitable object is being carried out
2. Through a collaborative process to monitor and evaluate the performance of the Boleyn Trust
3. To maintain the Membership and to appoint Members
4. To approve any proposed changes to the Articles of Association
5. To receive the annual accounts of the Trust.

The Trust will ordinarily have at least five Members.

Trustees

The trustees are responsible for the general control, management and administration of the trust. The responsibility for the actions of the company is vested in the “**Trustees**” of the Boleyn Trust (together, referred to as “**the Trust Board**”), who are the company directors registered with Companies House (they have a similar role to governors in a local authority-maintained school). The Trustees are personally responsible for the actions of the Trust and the Schools and are accountable to the Members, to the Secretary of State for Education and to the wider community for the quality of the education received by all pupils of the Schools and for the expenditure of public money. The Trustees are required, as trustees and pursuant to the Funding Agreements, to have systems in place through which they can assure themselves of the quality, safety and good practice of the affairs of the Trust.

As company directors it is their duty to:

1. Act within their powers
2. Promote the success of the company
3. Exercise independent judgement
4. Avoid conflicts of interest
5. Not to accept benefits from third parties
6. Declare any interest in proposed transactions or arrangements.

Trust Board

The role of the Trust Board:

- Setting the vision, ethos and strategy for the Trust and its schools over the next three to five years;
- Establishing the governance structures for the Trust, from Members to School level, in keeping with the Articles of Association;
- Holding the CEO to account for the educational performance of the academies and their pupils, and the performance management of staff; and
- Overseeing the financial performance of the Trust.
- Providing clarity, through the published Terms of Reference and the Roles and Functions Matrix, of the level at which the following governance functions are exercised:
 - Determining each individual School’s vision, ethos and strategic direction
 - Recruiting each School’s Headteacher
 - Performance management of each School’s Headteacher
 - Determining Human Resources policy and practice
 - Oversight of each School’s budget
 - Assessment of the risks for each School.
- Setting the level at which the Local Governing Bodies will have authority and accountability through the

scheme of delegation;

- Engaging with the Schools' communities, parents, pupils and staff;
- Contributing to developing collaborative relationships beyond the Trust;
- Ensuring that there is strong and effective executive leadership and personnel in place across the Trust;
- Overview and scrutiny of Schools' education performance data;
- Overview and scrutiny of the School Trust's financial capability and management systems to ensure compliance with the Schools Financial Handbook, and deliver best value for money;
- Ensuring senior leaders within Schools are challenged to improve the education of pupils;
- Developing the Trust Board to ensure that it has the capacity, skills and succession plans to have a positive impact on outcomes for pupils.

The Board will carry out a regular skills audit of its Trustees. Where key skills are missing on the Board, expertise will be procured to support the challenge and scrutiny of specialist areas such as human resources or educational performance.

Trust Board Meetings

The Trust Board meetings will be quorate with 1/3 of the total number of Trustees in post (rounded up to a whole number). The Trustees shall hold at least three meetings in every school year, convening on seven clear days' notice except in emergency as determined by the Chair.

Responsibilities retained by the Trust Board

The responsibilities that the Trust Board retains, but is not limited to, are:

1. Approving the overall budget of the Trust and its devolution to each academy;
2. Approving the annual accounts of the Trust by
3. Ensuring that all regulatory requirements are met;
4. Recommending appointment of Members, Trustees and members of LGB and co-opting additional Trustees.
5. Approving all policies that the Trust by law is required to maintain, including determining admission arrangements for each academy (in line with the Admissions code);
6. Appointment of a Company Secretary or equivalent person, having regard to the DfE Clerking Competency Framework;

Trust Board Committees

The Trust Board Committees will provide the overview and high-level scrutiny of the prioritised risks provided by each of the schools. The principle of 'no duplication of governance' requires a clear differentiation of the nature of the scrutiny and challenge provided by the Trust Board Committees of each school's contribution to the overall performance of the Trust.

The Trust Board Committees will be:

- Curriculum and Standards;
- Human Resources (HR) and Performance Management;
- Finance, Audit and Risk Management (including the remuneration sub-committee and the audit and risk sub-committee).

Executive Team

The Trust "**Executive Team**" is the executive management arm of the Trust, focusing on operations and the educational performance of the Schools. They operate under the leadership and direction of the CEO, who is by virtue of his position a Trustee of the Trust. The Executive Team work directly with the staff in each School and the Local Governing Bodies to ensure that the required outcomes are achieved in accordance with the direction and vision of the Trust Board.

Local Governing Bodies

The role of a Local Governor is an important one. In developing our governance arrangements, the Trust Board has sought to ensure that the responsibility to govern is vested in those closest to the impact of decision-making and that such responsibility matches the capacity of those assuming responsibility. The Trust Board establishes Local

Governing Bodies for each of the Schools, for the most part made up of individuals drawn from the School's community, both as elected and appointed members.

Local Governors are accountable to the Trust Board (who in turn is accountable to the Department for Education) as well as to the communities they serve.

The broad duties of the Local Governing Body are summarised as:

- To contribute to and fulfil the vision and ethos of the Trust in so far as it relates to the School, ensuring that the School achieves the aims and ambitions it has for its pupils, having regard to the benefits of being part of a family of schools which stresses the importance of collaboration and mutual support;
- To implement and review from time to time the strategic plan for the School, focussing on the School's performance and achieving sustained school improvement and having regard to any agreed priorities identified by the Trust Board;
- To act as a critical friend to the School's senior leadership team, being ready to challenge and hold senior leaders to account for all aspects of the School's performance;
- To oversee the management of the finances of the School, assessing the annual budget prepared by the School's Headteacher (with the support of the School's senior leadership team) and submitting such for approval by the Trust Board, ensuring that the School works within its budget and the School's senior leadership team adopts and implements appropriate risk and financial management policies and practices;
- To support the Trust Board in ensuring that insurance or equivalent risk protection is put in place and maintained for all risk areas including damage to property, employer liability, public and third party liability and director liability in accordance with any policy issued by the Trust Board from time to time;
- To support the School's Headteacher in the development and review (from time to time) of an appropriate staffing structure for the School, ensuring there is robust and accountable monitoring of the performance of staff and implementing all and any policies relating to staff adopted by the Trust Board;
- To support the Trust Board in its monitoring and evaluation of the delivery of any central services and functions provided or procured by the Trust for the Schools, reporting any issues or concerns to the Headteacher and, if necessary, the CEO, and the Chair of the Trust Board;
- To promote within the organisation and externally the benefits of collaboration with the other Schools and to actively seek opportunities to work together either with the aim of improving economic efficiencies within the Schools or identifying and implementing best practice;
- To develop effective links within the School's community, communicating openly and frequently as appropriate and ensuring that the School meets its responsibilities to the community and serves the community's needs in relation to the safeguarding and education of its pupils; and
- To engage fully and openly with any inspection of the School, whether by the Trust Board, Ofsted or any other appropriate public body to whom the School is accountable.

Pupil, parent and staff voice

Accessing and responding to pupils' collective concerns is an important part of the operations and governance of Boleyn schools. All schools have active Pupil Councils with representatives from each year group. Each Local Governing Body is expected to give due regard to issues that are raised through the Pupil Council and the management actions taken in response to the issues.

Parental voice is formally built into the governance structure with the election by parents of two parent Governors to each Local Governing Body. Staff voice is similarly built into the governance structure with the election to each Local Governing Body of two employees of the School (usually one teacher and one non-teaching staff member) by employees of the School.

As a Trust, we will consider what further mechanisms for pupil, parent and staff representation at other governance levels may be appropriate.

Chair's Emergency Powers

The Chair, or in the absence of the Chair the Vice-Chair, may take such action as the Chair may think fit to protect the interests of the Trust, any academy within the Trust, any student or employee of the Trust or any other member of the school community in circumstances where in the opinion of the Chair it would not be reasonably possible to convene a meeting of the Trust Board or a relevant committee or LGB in the time necessary to protect such interests.

Governance elements in more detail

Members: general guidance

The Members of the Trust are the equivalent of the shareholders in a commercial company (save that they do not receive dividends). In simple terms the Members "own" the Trust. They have a number of statutory rights and rights set out in the Trust's Articles of Association (the **Articles**).

The Academies Financial Handbook (September 2017) issued by the Education and Skills Funding Agency ("ESFA") provides as follows:

- Members have an overview of the governance arrangements of the trust;
- Members can amend the articles and may do so to support stronger governance arrangements;
- While members can be trustees, retaining some distinction between the two layers ensures that members, independent of the trustees, provide oversight and challenge - this is especially important in multi school trusts in which trustees are responsible for a number of schools;
- Academy trusts should be established with three members, although DfE encourages trusts to have at least five members in total, as this:
 - Provides for a more diverse range of perspectives to enable robust decision making and reduces the risks of concentrating power;
 - Ensures enough members to take decisions via special resolution (which requires 75% of members to agree) without requiring unanimity; and
 - Facilitates majority decisions being taken by ordinary resolution (which requires a majority of members to agree).
- Members must not be employees of the Trust;
- The appointment of any new Member must be notified to ESFA (via Get Information About Schools) within 14 days of the appointment;
- The appointment and resignation/removal of Members does not need to be notified to Companies House; and
- The Trust's statutory books/registers must include a register of Members, which should be kept up-to-date particularly on appointment and removal/resignation.

The Boleyn Trust Board: Terms of Reference

1. Core values

The Board of Trustees will at all times:

- observe the highest standards of impartiality, integrity and objectivity in relation to the governance of Trust; and
- be accountable to its stakeholders and regulatory bodies for its activities; and
- engage in a partnership with the Executive Team.

2. Expectations of Trustees

All Trustees are required to:

- follow the Seven Principles of Public Life set out by the Committee on Standards in Public Life (referred to as "the Nolan Principles" and set out in Annex 1);
- comply with:
 - the Articles of Association,
 - the Funding Agreement
 - these terms of reference,
 - the scheme of delegation to the Executive Team,
 - the conflicts of interest policy,
 - the code of practice appended at Annex 2.
- ensure they understand their duties, rights and responsibilities, and that they are familiar with the function and role of Trust;
- not misuse information gained in the course of their Trusteeship for personal gain, nor seek to use the opportunity of service to promote their private interests or those of connected persons, firms, businesses or other organisations;
- participate actively in the induction process and any relevant training.

3. Powers, functions and responsibilities of Trustees

The Trustees are responsible for the governance and supervision of the Trust and its committees (including the Local Governing Bodies).

The Trustees have a number of duties and responsibilities relating to the governance of the Trust and its finances. In summary, the Trustees are responsible for:

- establishing the vision, mission and values for the School Trust;
- carrying on the Trust in accordance with the objects of the Trust as set out in the Articles of Association and safeguarding the assets of the Trust;
- designing strategy and structure for the operation of the Trust;
- the delegation of the running of the Schools and the direction of the education, pastoral care, financial and other policies of the Schools to the Executive Team;
- ensuring sound management and administration of the Trust by the Executive Team, and ensuring that the Executive Team is equipped with the relevant skills and guidance;
- financial controls and the financial management of the School Trust in accordance with the provisions of the Academies Financial Handbook, which sets out in detail provisions for the financial management of the Trust;
- setting standards of conduct and values, monitoring performance and the achievement of objectives, and ensuring that plans for improvement are acted upon;
- risk management, that is identifying, quantifying and devising systems to minimise the major risks affecting the Trust; and
- ensuring the Trust and the Schools are conducted in compliance with the general law.

4. Accountability of Trustees

The Trustees are chiefly accountable to:

- the beneficiaries of the Trust (pupils at the Schools, their parents and the local community) for the quality of

education and pastoral care at the Schools, for matters of health and safety and for safeguarding and promoting the welfare of the pupils;

- the DfE, the Education and Skills Funding Agency and specifically the Secretary of State under the terms of the Funding Agreement;
- the Secretary of State (in his or her role as principal regulator in respect of charity matters) for operating the Trust for the public benefit, for the prudent management of the Trust and its financial efficiency, and for compliance with legislation including charities legislation;
- the employees of the Trust for their working environment, and for compliance with the contract of employment and employment law requirements and matters of health and safety; and other regulatory authorities for compliance with regulated responsibilities to which the Trust and the Schools are subject.

5. Conducting Trustees' business

The Trustees are required to:

- act together and in person and not delegate responsibility of the Trust to others;
- act strictly in accordance with the Articles;
- act in the Trust's interests only and without regard to their own private interests;
- manage the Trust's affairs prudently;
- not take personal benefit from the Trust unless expressly authorised by the Articles or the Charity Commission; and
- take proper professional advice on matters on which they are not themselves competent.

The Trustees should also hold the Executive Team to account. They should offer support, constructive advice, be a sounding board for ideas, a second opinion on proposals and help where needed, but will also challenge, ask questions, seek information and improve proposals where appropriate and at all times act in the best interests of the Trust.

The Trustees shall have regard to the framework for inspecting schools in England under section 5 of the Education Act 2005 (as amended) issued by the Office for Standards in Education, Children's Services and Skills (Ofsted).

The duties and responsibilities of Trustees are explained in further detail in *The essential trustee: what you need to know, what you need to do (CC3)* (Charity Commission, July 2015) and in the *DfE Governors Handbook (January 2017)*.

The Trustees shall have regard to the Academies Financial Handbook, which shall be circulated to all Trustees.

6. Chair of Trustees

The Board shall appoint an individual from among their number to act as Chair. A change of Chair will require a notification to be made to the DfE, including a Disclosure and Barring Service (DBS) disclosure form to be submitted via the DfE.

The main role of the Chair is to chair meetings of the Trust Board. He or she also provides leadership to the Trustees and acts as the main point of contact between the Trustees and the Executive Team.

Apart from any special responsibilities or powers given to the Chair in the Articles of Association (e.g. the right to chair meetings of the Trust Board and to have a second or casting vote in any case of an equality of votes at a meeting of the Trust Board), the Chair has no special powers or rights over any other Trustee. If the Chair is to carry out certain specific functions (for example, the power to approve an overspend in a certain area of the budget or the CEO's appraisal) then this must be expressly delegated to him by the Board.

7. Meetings of Trustees

There will be a minimum of three meetings of the Trustees each academic year. Meetings of the Trustees shall be convened and conducted as provided by the Articles.

In determining the agenda for Board meetings and committee meetings, the Trustees will have regard to the requirement on them to:

- ensure good financial management and effective internal controls;
- comply with the Funding Agreement and the current version of the Academies Financial Handbook (or successor documents);

- receive and consider information on financial performance at least three times a year; and
- take appropriate action to ensure ongoing viability against agreed budgets.

In consultation with the Chair, the Clerk to the Trust Board shall prepare an annual plan for the meetings of the Trustees.

8. Delegation of powers of Trustees

Trusteeship (and directorship which necessarily follows) is a personal office of trust and responsibility and this cannot be transferred to another individual. However, in order to ensure the proper management of the Schools, the Trustees are able to delegate specific tasks to assist them in carrying out their duties and obligations.

It is for the Trust Board to determine what decisions it will take for itself, what will be delegated to committees, working groups or individual Trustees (e.g. the Chair) and what will be delegated to the Executive Team. The Trustees must also consider when and from whom they should take professional advice.

In determining whether delegation is appropriate, the Trustees will have regard to the following principles:

- non-executive powers must be exercised by the Trustees personally and may not be delegated;
- except when it is impracticable to do so, executive powers should be delegated to the Chief Executive Officer and Chief Finance Officer, who may authorise further delegation; and
- every act of delegation is only a delegation of powers and does not relieve the Trustees of responsibility.

The Trustees must not delegate any of their powers listed in Annex 3 ("the Reserved Matters").

Delegation can be made to:

- Board committees including the following committees:
 - Finance, Audit and Risk Management (including the remuneration sub-committee and risk and audit sub-committee)
 - Curriculum and Standards; and
 - Human Resources (HR) and Performance Management.
- the LGBs;
- any individual Trustee;
- the Executive Team (which in turn may delegate to further individuals).

9. Stakeholder voices

Trustees are asked to have regard to the voices of their various stakeholders and to put in place arrangements to receive feedback and to respond appropriately. This shall include the following, as they are involved in other elements/tiers of trust governance and more broadly:

- Pupils
- Parents
- Staff.

10. Risk management

The charities statements of recommended practice ("the SORP") set out requirements for reporting on the risks to a charity.

The Trustees' report therefore must include a description of the principal risks and uncertainties facing the Trust and any subsidiary undertakings, as identified by the Trustees. The report must also include a summary of the Trustees' plans and strategies for managing these risks. The Trustees must identify specific risks and describe ways to combat each one, rather than making general statements regarding risk management.

The Trustees are therefore responsible for:

- identifying the major risks that apply to the Trust, including:

- operational risks (employment issues, health and safety, fraud, service quality and development etc.);
 - financial risks (accuracy of financial information, cash flow, reserves, over-reliance on funding sources etc.);
 - external risks (changes in government policy, economic factors, demographic changes, adverse publicity etc.); and
 - regulatory risks (compliance with legislation, changes in policies of the regulators etc.).
- making decisions (based where appropriate on advice from professional advisors) as to how to respond to those risks; and
 - making appropriate statements regarding the management of risks in the annual report.

The Finance, Audit and Risk Management Committee, supported by the Executive Team, shall prepare a risk register for approval by the Trustees, along with a procedure by which the risk register shall be subject to regular review. The risk register shall have named individuals assigned to manage each area.

11. The management of conflicts of interest

The Companies Act 2006 imposes a statutory duty on the Trustees to avoid situations in which they have or could have an interest, which conflicts (or could conflict) with the interests of the Trust. The duty is to:

- a) declare the nature and extent of any interest in any matter relating to the Trust; and
- b) avoid any conflict of interest between that interest and the interests of the Trust.

In addition, charity law and guidance issued by the Charity Commission confers obligations on the Trustees to manage any conflict between a Trustee's duty to the Trust and their own personal interests or for a Trustee to be influenced by conflicting duties to the Trust and a third party.

Further details are set out in the Conflicts of Interest Policy with which the Trustees are obliged to comply.

12. Recruitment of Trustees

It is essential that the Trust Board has a proper mix of skills and experience. The Trustees must therefore be able to identify potential new Trustees in order to plan for succession, which combines continuity of experience and expertise with new ideas and energy.

The Board as a whole is responsible for ensuring that:

- the skills of any new Trustee fit in with the Trust's requirements in the short, medium and longer term;
- each new Trustee is not disqualified from acting as a Trustee by any provision of the Trust's Articles of Association (including the requirement that he is not disqualified as a company director or charity trustee);
- there is a system in place which ensures that all relevant checks, including an enhanced DBS check (countersigned by the Secretary of State in the case of a new Chair), are completed before or as soon as practicable after a Trustee takes up position; and
- the new Trustee understands the responsibility he / she is taking on and consents to act as a Trustee.

Each new Trustee will be properly inducted to ensure that he / she understands the nature and extent of his role and responsibilities. It is the duty of a new Trustee to ensure that he / she is familiar with the Objects of the Trust; its history and ethos and the nature and extent of its activities; and the content of the Trust's Articles of Association.

The Trustees shall provide each new Trustee with:

- the Trust's Articles of Association
- the Funding Agreement
- these terms of reference
- the scheme of delegation to the Executive Team and
- the conflicts of interest policy.

New Trustees shall be required to sign the declaration set out in [Annex 4](#).

The Clerk to the Trustees shall ensure that any appointment of a new Trustee is notified to the ESFA (via Get Information About Schools) within 14 days of the appointment (as required under the Academies Financial

Handbook).

13. Training and development of Trustees

The Trustees shall ensure that the Board has the skills and experience needed to perform its functions effectively. Trustees shall also be kept up to date with developments in the legal and regulatory framework in which the Trust operates.

The Trustees must have in place a system for evaluating Trustees, with a view to identifying potential gaps in their skills and any requirements for training. Such evaluation shall be carried out annually.

Annex 1: The Seven Principles of Public Life set out by the Committee on Standards in Public Life ("the Nolan Principles")

1. Selflessness

Holders of public office should act solely in terms of the public interest.

2. Integrity

Holders of public office must avoid placing themselves under any obligation to people or organisations that might try inappropriately to influence them in their work. They should not act or take decisions in order to gain financial or other material benefits for themselves, their family, or their friends. They must declare and resolve any interests and relationships.

3. Objectivity

Holders of public office must act and take decisions impartially, fairly and on merit, using the best evidence and without discrimination or bias.

4. Accountability

Holders of public office are accountable to the public for their decisions and actions and must submit themselves to the scrutiny necessary to ensure this.

5. Openness

Holders of public office should act and take decisions in an open and transparent manner. Information should not be withheld from the public unless there are clear and lawful reasons for so doing.

6. Honesty

Holders of public office should be truthful.

7. Leadership

Holders of public office should exhibit these principles in their own behaviour. They should actively promote and robustly support the principles and be willing to challenge poor behaviour wherever it occurs.

Annex 2: Trustees' code of practice

1. Introduction

This code of practice is designed to set out the conduct required of trustees in order to ensure the highest standards of integrity and stewardship.

2. General responsibilities

"Trustees must act reasonably and prudently in all matters relating to the Charity and must always bear in mind the interests of the Charity. They should not let their personal views or prejudices affect their conduct as trustees." (The Essential trustee: what you need to know (CC3), Charity Commission, February 2008).

"The primary duty of a trustee is to carry out the function of his or her office with the utmost good faith. He or she must be impartial and mindful of the interests of the beneficiaries of the Charity and of the objects for which the Charity is established". (Governance and management of charities, Andrew Hind, NCVO Publications, 1995)

Trustees should listen to the view of other trustees, staff, volunteers or external advisers respectfully, taking cognisance of differences of opinion. Trustees should not cause offence to others or undermine the standing of their colleagues as a member of the Trust Board.

3. Board papers

While the board aims to conduct its business openly, it is inevitable that some matters must be confidential either for a time or always.

All matters discussed at board meetings (save for items which are clearly neither confidential nor of a sensitive nature either legally, commercially, financially or personally) should be treated as strictly confidential and should not be discussed with anyone other than those present at the meeting when the matter in question was discussed unless authorised by the board to do so. If in any doubt, trustees should contact the chair.

4. Board meetings

Open discussion and debate is actively encouraged, in which every spectrum of objective opinion is welcomed.

As Trustees must act with probity, the Board should take and consider professional advice from internal and / or from external advisers in all decision- making.

Where consensus is not achieved, decisions will be taken during board meetings by calling for a vote by those present. Trustees who abstain on, or vote against, any motion may request an appropriate note be made in the minutes.

The Board must be accountable but delegate authority on various matters on which it is entitled to full reports as necessary.

5. Outside board meetings

Trustees should exercise restraint outside a meeting in relation to particular comments made within the Board meeting by individual members. Trustees must accept that it is inappropriate for any private or public references to "who said what", except in dialogue with other trustees.

Trustees should accept the need for care and restraint, honouring the spirit as well as the letter of the code of practice, when talking about board matters in any other forum.

6. Disagreements

Where a Trustee has a disagreement on any matter, he or she should raise the matter informally with the chair or through the normal procedures at a board meeting.

If not resolved, a trustee may request the matter be taken further by the chair.

If a satisfactory conclusion is not reached, the board may recommend the appointment of an independent mediator.

7. The Executive Team and the wider staff

Staff and Trustees are expected to deal with each other with respect and courtesy.

Trustees must ensure there is a clear understanding of the scope of authority delegated to the chief executive officer ("the **CEO**").

Having given the CEO delegated authority, trustees should be careful, individually and collectively, not to undermine that authority either by word or action.

Trustees delegate the management to the CEO, which includes the management of staff.

If a Trustee has concerns relating to the performance of a member of staff, he or she should contact the chair, who will take up the matter with the CEO.

Annex 3: Reserved matters

Local Governing Board Delegation

1. Introduction

Thank you for agreeing to play a valuable role as a member of a Boleyn Trust School's Local Governing Body.

The Boleyn Trust is a charitable voluntary organisation which relies on the crucial input of a considerable number of volunteers, supported by an experienced team of staff.

This constitution and terms of delegation for your Local Governing Body has been agreed by the Trustees of the Boleyn Trust.

2. Remit

The role of a Local Governing Body is an important one. It is to provide focused governance for the School at a local level and it is the intention of the Trust Board to ensure that the responsibility to govern the School is vested in those closest to the impact of decision-making. The Local Governing Body monitors the School's key performance indicators and acts as a critical friend to the Headteacher and the School's senior leadership team, providing challenge where appropriate.

Local Governing Bodies carry out their functions in relation to their respective School on behalf of the Trust Board and in accordance with policies determined by the Trust Board. The act of delegation from the Trust Board to the Local Governing Body's is a delegation of powers and duties, and not a delegation or shedding of responsibilities.

3. Intervention

The Local Governing Body will work closely with the Executive Team and shall promptly implement any advice or recommendations made by the Executive Team in respect of standards and performance, particularly where areas of weakness have been identified (either internally within the Trust or by Ofsted).

The Trust Board reserves the right to review or remove any power or responsibility conferred on the Local Governing Body under this constitution and terms of reference in circumstances where serious concerns in the running of the School are identified, including where:

- there are concerns about financial matters;
- there is insufficient progress being made against educational targets (including where intervention by the Secretary of State is being considered or carried out);
- there has been a breakdown in the way the School is managed or governed; or
- the safety of pupils or staff is threatened, including a breakdown of discipline.

Where necessary, the Trust Board will put in place for an appropriate period an intervention board whose responsibility it will be to address the areas of weakness.

4. Composition of Local Governing Bodies

Each Local Governing Body comprises a maximum of twelve members (which we refer to as **Local Governors**), including:

- the Chief Executive Officer – Ex-officio
- the Headteacher of the School;
- two elected parents or guardians of a pupil at the School, elected by parents of the School (**Parent Local Governors**);
- one employee of the School (**Staff Local Governor**);
- seven members appointed by the Trust Board on the recommendation of the Local Governing Board;

Each Local Governing Body shall have a Chair and a Vice-Chair.

The length of service of all Staff and Parent Local Governors shall be four years. The length of service of all members appointed by the Trust shall be four years. Subject to remaining eligible to be a Local Governor, any Local Governor may be reappointed or re-elected at the end of his or her term.

Every person wishing to become a Local Governor will be required to sign a declaration of acceptance and of willingness to act as a Local Governor, in the form set out in **Annex 1** or as prescribed by the Trust Board from time to time, and shall make disclosures for the purposes of a criminal records check by the Disclosure and Barring Service.

5. Commitment of Local Governors

Local Governors are asked to:

- prepare for and make an active contribution at meetings of the Local Governing Body;
- champion the School in the local community;
- familiarise themselves with the School's policies;
- visit the School both during school hours (with prior arrangement with the Headteacher) and for evening events to get to know the School and to be visible to the School community; and attend training sessions for Local Governors, where possible.

6. Stakeholder voices

Local Governing Bodies are expected to have regard to the voices of their various stakeholders (especially pupils, parents and staff) and to put in place arrangements to receive feedback and to respond appropriately. This includes engaging stakeholders through defined governance arrangements (including elected parent and staff governors on the Local Governing Bodies) and more broadly.

Accessing and responding to pupils' collective concerns is an important part of the operations and governance of Boleyn Trust Schools. All schools have active Pupil Councils with representatives from each year group. Each Local Governing Body is expected to give due regard to issues that are raised through the Pupil Council and the management actions taken in response to the issues.

7. Appointment and responsibilities of Local Governors

a) Chair

The Chair is elected by the Local Governors. The term of office of the Chair is two years, but the Chair is eligible for reappointment at the end of that term.

The Trust Board are entitled to remove the Chair from office at any time, although this would not necessarily affect the individual's position as a Local Governor.

The responsibilities of the Chair include the following:

The decisions taken and the reasons for urgency shall be explained fully at the next meeting of the Local Governing Body.

b) Vice-Chair

The Vice-Chair is elected by the Local Governors. The term of office of the Vice-Chair is two years, but the Vice-Chair is eligible for reappointment at the end of that term.

The Trust Board is entitled to remove the Vice-Chair from office at any time, although this would not necessarily affect the individual's position as a Local Governor.

The responsibilities of the Vice-Chair include the following:

- to deputise for the Chair in his or her absence;
- to set the agenda for meetings of the Local Governing Body with the Chair, if requested; and
- to provide a link between the Local Governing Body and the Trust Board. In the absence of both the Chair and the Vice-Chair at a meeting, the Local Governing Body will elect a temporary chair from among their number.

c) Staff Local Governors

The staff member of the Local Governing Body shall be elected by the staff at the relevant School.

d) Elected Parent Local Governors

Parent Local Governors for each Local Governing Body shall be elected in accordance with the process set out below:

Nominees will be asked to provide a short statement about why they are interested in being a Parent Local Governor and their background and experience that makes them suitable for the role;
- If the number of nominees equals or is less than the number of vacancies on the Local Governing Body, the Local Governing Body can choose to appoint all (or any) of those nominated; and
- If there are more nominees than places available, the Local Governing Body will write to all parents of pupils at the School asking them to vote for their preferred candidate.

A Parent Local Governor should be a parent or carer of a registered pupil at the relevant School or where this is not reasonably practical, a person who is the parent of a child of compulsory school age.

f) Clerk to the Local Governing Body

The Local Governing Body in consultation with the Trust Board shall appoint a Clerk to the Local Governing Body who must not be a Local Governor. In the absence of the Clerk, the Local Governing Body shall elect a replacement for the meeting (who may be a Local Governor).

- any event or circumstance occurs which would disqualify him or her from the office of Trustee under the Articles were he or she to hold such office;
- he or she has, without the consent of the Local Governing Body, failed to attend Local Governing Body meetings for a continuous period of six months, beginning with the date of the first such meeting he or she failed to attend and the Chair and the Vice Chair agree that the term of office should be terminated;
- he or she resigns from office by notice to the Trust;
- he or she is removed from office by the Trust Board.

Meetings of the Local Governing Body will be held at least once per term.

The Clerk to the Local Governing Body shall give written notice of each meeting and circulate an agenda and any reports or other papers to be considered at the meeting at least seven clear days in advance of each meeting. However, where the Chair determines there are matters demanding urgent consideration, it shall be sufficient if the written notice of the meeting states that fact and the notice, copy of the agenda and other papers are given within such shorter period as the Chair directs.

The Local Governors may invite persons who are not Local Governors (such as a member of a committee, any employee, any pupil, any professional adviser and any experts of any kind) to attend the whole or part of any meeting for purposes connected with the meeting.

The convening of a meeting and the proceedings conducted at meetings shall not be invalidated because of any individual not having received written notice of the meeting or a copy of the agenda.

Where a meeting is not held, or is terminated before all the matters specified as items of business on the agenda for the meeting have been disposed of, a further meeting shall be convened by the Clerk as soon as is reasonably practicable, but in any event within seven days of the date on which the meeting was originally to be held or was so terminated.

Any Local Governor shall be able to participate in, and be counted as present at for the purposes of the quorum, meetings by telephone or video conference provided that:

- the Local Governing Body has access to the appropriate equipment; and
- provided that, if after all reasonable efforts, it does not prove possible for that Local Governor to participate by telephone or video conference, the meeting may still proceed with its business provided it is otherwise quorate.

Every question to be decided upon at a meeting of the Local Governing Body shall be determined by most the votes of Local Governors present and voting on the question. Votes tendered by proxy shall not be counted.

Where there is an equal division of votes, the Chair has a casting vote.

Any Local Governor who has any duty or personal interest that conflicts or may conflict with his or her duties as a Local Governor shall:

- disclose that fact to the Local Governing Body as soon as he or she becomes aware of it. A Local Governor must absent himself or herself from any discussions of the Local Governing Body in which it is possible that a

conflict will arise between his or her duty to act solely in the interests of the School and such duty or personal interest;
